

## HOW TO MAKE A PERFECT BALLET BUN

### REQUIRED EQUIPMENT:

- Hair brush or comb
- Hair elastic
- Hairspray or hair gel
- Hair net
- Hair pins (open pins)
- Bobby pins (closed pins)

### INSTRUCRTIONS:

1. Spray hairspray the top of the hair and brush all the hair towards the centre back of the head.
2. Gather the hair into a tight ponytail and secure with an elastic band, ensuring that there are no bumps. To stop frizzy and fly-away hairs, apply a small amount of hair spray or gel evenly from the roots to the ends of the hair, with your fingers or with the comb.
3. To make the bun shape, hold the ponytail at the end and twist it firmly until it is all twisted into a rope.
4. Twist the rope around the elastic to form a circular bun. Secure the bun with a hair tie.
5. Place a hair net over the bun. If needed go around the bun a few times.

6. Place open hairpins around the bun to secure it, without taking your hands off the bun (see pictures for inserting hairpins). You want the bun to sit flat on the head.
7. Secure with hair spray or gel and comb or brush to hold in place.
